**Wheelchair Dancers Organization spotlights GoldenBoy Mobility for their continued sponsorships of our Dance-Ability Showcase and Fundraiser! this year's Showcase is on September 29, 2018 at Balboa Park Club from 12 Noon to 4 pm. Enjoy learning about this Major Vendor!**

## Spotlight on Sponsors – GoldenBoy Mobility.com

Wheelchair Dancers Organization honor and thank GoldenBoy Mobility for being a **Major Vendor** of our Annual Dance-Ability Showcase and Fundraiser over the years.

## Motto: Ready. Set. Action – Giving Mobility one van at a time!

GoldenBoy Mobility has had the “pleasure to provide mobility solutions . . . to give you (wheelchair or disabled) the freedom to ‘Go. Be. and Live.’” What does Go. Be. Live mean? According to GoldenBoy Mobility, they are more than words, “They are a mantra to live by.” They are not rules that confine you, but stones on the path to freedom. These principles encompass all we do. Go. Be. Live. is different for every person. What do these words mean to you?”

**Let us know. Enjoy the story of our company!**

## GOLDENBOY MOBILITY HISTORY

GoldenBoy Mobility started 40 years ago as a manufacturing company where Gary Sr. and his brother, Chris, designed, developed, and manufactured the GoldenBoy wheelchair lift. In 1978, Gary Sr. opened his own store whose motto was “Customer service first!” GoldenBoy specialized in van conversions, lifts, driving controls, and soon became a premier location for any custom modification. Gary’s son, Gary Jr., grew up in the mobility industry. He had fond childhood memories of spending time with his dad and customers in the shop. Like his father, he developed a passion for the industry and started working the shop by answering phones, then served as a technician, maintenance supervisor, general manager and has now taken over the business.

Gary Jr. and staff focus on putting customer service first. This is a family business where our customers are part of our family. At **GoldenBoy**, you will be treated with respect and customer service while our experienced technicians work on your vehicle.

*We look forward to welcoming you to our family.*
